Dear Friends at Northwest Community Church,

Teresa and I send you greetings from 9090 Muzette Ct in Miamisburg Ohio where we will be "hanging our hats" for the next five months. Our home church here has found us a house and given us the use of a vehicle for our stay, so we feel well cared for and very blessed.

As you are aware, we are on a six-month sabbatical which will consist of some rest and recovery, reflection and refocus, and finally some realignment to help empower us for maximum contribution upon our return. We covet your prayers for this important time in our lives.

The latest word from our team who are on site in "Las Moras" is that they are beginning to converse with phrases in the heart language. What has been happening "behind the scenes" for some time is that they are modeling the body of Christ, a living organism, His church to these people. It is a strong demonstration of God's power when Christians love one another.

It is difficult to communicate what our hearts feel, but somehow we would like to express our deepest thanks to you for your constant faithfulness to us in prayer and financial support. As you stand behind us, we are able to stand behind and equip others. Thank you again for your part in our lives and ministry. You are a blessing both to us and to the Nahuat people still waiting to hear.

In His grip,

A handwritten signature in blue ink that reads "Tom & Teresa". The signature is written in a cursive, flowing style.
