CLASS SCHEDULE

08/07/22 – 12/4/22

9:00 AM

1 & 2 Thessalonians

C104

Elective 1

Doug Weir, Jim Groff, & Chris Regh

There are many prophecies in scripture that proclaim that the Messiah, Jesus Christ, will return to this earth to establish His kingdom. Since the ascension of Jesus from earth to heaven, there have been many who have predicted specific times and dates that He would return. The church in Thessalonica encountered these types of false teachers who led some believers astray. In this class, we will see what Paul taught the church regarding Jesus' arrival and the "Day of the Lord" and how it applies to us today.
